

B+N

**WE ARE WORKING FOR
A MORE LIVABLE WORLD**

**ENERGY MANAGEMENT
POLICY OF B+N HUNGARY LTD**

B+N Hungary Ltd. is committed to managing energy consumption in a conscious, efficient, and responsible manner, as well as to continuously improving energy efficiency. We are convinced that improving energy performance contributes to sustainable operations, the reduction of environmental impacts, and the long-term success of the organization.

The basis of our energy management activities are systematic identification, measurement and evaluation of energy consumption and energy-related factors. Based on this information we define goals and measures to improve energy performance and ensure their monitoring.

When operating facilities, vehicles and equipment we strive to apply energy-efficient solutions, introduce modern technologies, and operate in an energy-efficient manner. During decision-making, we take into account energy efficiency aspects and opportunities to reduce energy consumption, and we strive to identify and eliminate energy losses.

In addition to improving energy performance, we also pay special attention to its conscious planning, ensuring that energy efficiency objectives are integrated into the organization's operations and decision-making processes.

B+N Hungary Ltd. provides the resources necessary to achieve its energy management goals and is committed to complying with relevant legal and other requirements.

We support energy-conscious operations through employee involvement, training, and internal communication, thereby facilitating the integration of an energy-saving approach into everyday operations.

When selecting our suppliers and partners, we strive for collaborations that support the application of energy-efficient solutions and sustainable operations.

Our energy management activities are carried out in compliance with applicable legal requirements, as well as the requirements of the MSZ EN ISO 50001:2019 standard.

This Energy Management Policy is regularly reviewed, and its contents are communicated to employees. Familiarity with and compliance with the provisions of this policy are mandatory for all employees of B+N Hungary Ltd.
